Professional Experience

Titmouse, Inc

Storyboard Revisionist - Digman! Season 2

March 2024 - August 2024

Storyboard Revisionist - Digman! Season 1

July 2022 - August 2022

Revised storyboards for adult comedy/action TV show in Toon Boom Storyboard Pro.

Revised character models, added gags and acting, fleshed out backgrounds, and updated composition and cinematography.

Redlines were provided by directors, but revisionists were encouraged to add new acting and gag ideas. On rare occasions, redrew scenes under Director supervision.

Storyboard Revisionist - Metalocalypse: Army of the Doomstar

January 2022 - April 2022

Revised and created storyboards for comedy-action film in Toon Boom Storyboard Pro.

Reboarded whole sequences from director's instruction (approx 15% reused boards from the previous artist).

Scenes boarded include sitcom-style comedy, sci-fi action, and slapstick.

Other Works

[Finish Line](#) - *Storyboard, 2024.*

In this short storyboard scene, a man confronts the end of his first career as he struggles to finish a marathon. Can his boyfriend cheer him up, or will this personal crisis bubble into a relationship crisis?

[Railway Rumble](#) - *Storyboard, 2023.*

In this action-packed 3D-style storyboard, journalist Lora fights her way across a train full of thugs to rescue her friend Dr. Witter from being kidnapped.

[Laundry Day](#) - *Storyboard, 2023.*

Laundry Day is a storyboard scene in which a couple's laundry day goes from playful to contentious when a secret is revealed.

Created in Toon Boom Storyboard Pro, utilizing Blender to construct a 3D set and generate camera angles.
